Payment terms:

In stock bass: Payment including shipping in full prior to shipment.

Custom Bass: A \$1500 deposit reserves your veneers and starts production. The balance, including shipping, due prior to shipment. Your order cannot be processed without payment information being provided.

Choose from the Current Inventory:

The number of a bass in current inventory _____

Or Customize Your Bass:

Choose your front and back veneers from either our "select" group or our "premium" group. Premium woods are chosen for beauty and grain patterns that enhance the uniqueness of the tonal qualities of the BVB. Select choices do not affect the price. Each Premium choice adds \$100. Select veneers have an **S** prefix; premium veneers, a **P**.
